Code of Ethics for Persons Working with Children and Youth

**** Please sign anew each year your family participates in Religious Education. ****

First Unitarian Universalist Society of Burlington, Vermont

Children and youth look up to all adults they meet or see in our UU Society. It is therefore important that all adults bring to our UURE area a spirit of commitment to the safety of our children. Adult UURE leadership plays a key role in fostering the spiritual development of both individuals and the community. The relationship between young people and their leaders must be one of mutual respect. It is, therefore, important that adults in leadership positions provide the special nurture, care, and support that will enable children and youth to develop a positive sense of self and a spirit of independence and responsibility.

There are no more important areas of growth than those of self worth and the development of a healthy identity as a sexual being. Adults play a key role in assisting children and youth in these areas of growth. Wisdom dictates that children, youth and adults suffer damaging effects when leaders become sexually involved with young persons in their care; therefore, leaders will refrain from engaging in sexual, seductive or erotic behavior with children and youth. Neither shall they harass or engage in behavior with children or youth which constitutes verbal, emotional, or physical abuse.

I/we have read the above statement and agree to uphold this Code of Ethics.

STEWARDSHIP CHOICE DESCRIPTIONS

Please indicate your first and second choices on page 2 of this form. If you have any questions about these roles, please contact Martha Dallas, Director of Religious Education, at martha@uusociety.org or 862-5630 x 28. She would be happy to discuss options for your participation in our program.

TEACHERS/CLASS LEADERS *Teachers work in pairs on Sundays and as part of a team for half the year.* The year is divided into 2 semesters: Fall and Winter-Spring, each with 15 or fewer Sundays of RE. To best share the responsibility for leading children's learning, we urge teams to follow a structure in which three people each semester share (on a rotating basis) leading the class, assisting the leader, and taking a Sunday off. The time commitment with this model is **no more than** 2 out of 3 Sundays (or 10 Sundays per year). All teams work from an established, written curricula, and receive logistical support, as needed, from the RE office. Stewardship orientations are held twice a year, in September and January.

SCHEDULER-SUBSTITUTES *These RE stewards develop a class' teaching schedule and serve as sub for half the year.* Scheduler-Substitutes serve as point people for both the DRE and the rest of the teaching team. They are responsible for ensuring that there is a Lead and an Assistant from the team signed up for each RE Sunday of the semester, and that the team knows what lesson or theme will be explored each Sunday. The commitment requires phone and email time outside of Sundays, as well as periodic availability (based on team needs) to substitute Sunday mornings if the main teachers/leaders are unavailable to substitute for one another.

RE ANGELS *RE Angels provide back-up help on Sunday mornings.* Working with the aid of a prepared list of duties, they perform simple support-tasks to help make the morning run smoothly for the teachers and children. Tasks include preparing a Welcome Table for visitors and newcomers, welcoming and orienting new families, and being available to assist children who need to use the restroom or who may be having a difficult morning. Time commitment is approximately one Sunday per month. RE Angels sign up for Sundays as their schedules allow.

YOUTH ADVISORS *Youth Advisors work with our high school "Yuuth" Group and our Youth Programs Coordinator.* Youth Advisors join the youth on a rotating basis when they gather Sunday mornings, as well as monthly evening meetings. Youth Advisors are also asked to consider participating in other Yuuth activities, such as periodic overnights and regional youth events.

RELIGIOUS EDUCATION COMMITTEE *The RE Committee provides lay leadership for the RE program.* The RE Committee meets monthly. Working closely with the DRE, it sets the course and articulates the goals for the Society's RE program. When needed, ad-hoc committees within it are formed for specific projects. Time commitment is two hours a month, August-June, plus time for other tasks and events as necessary.

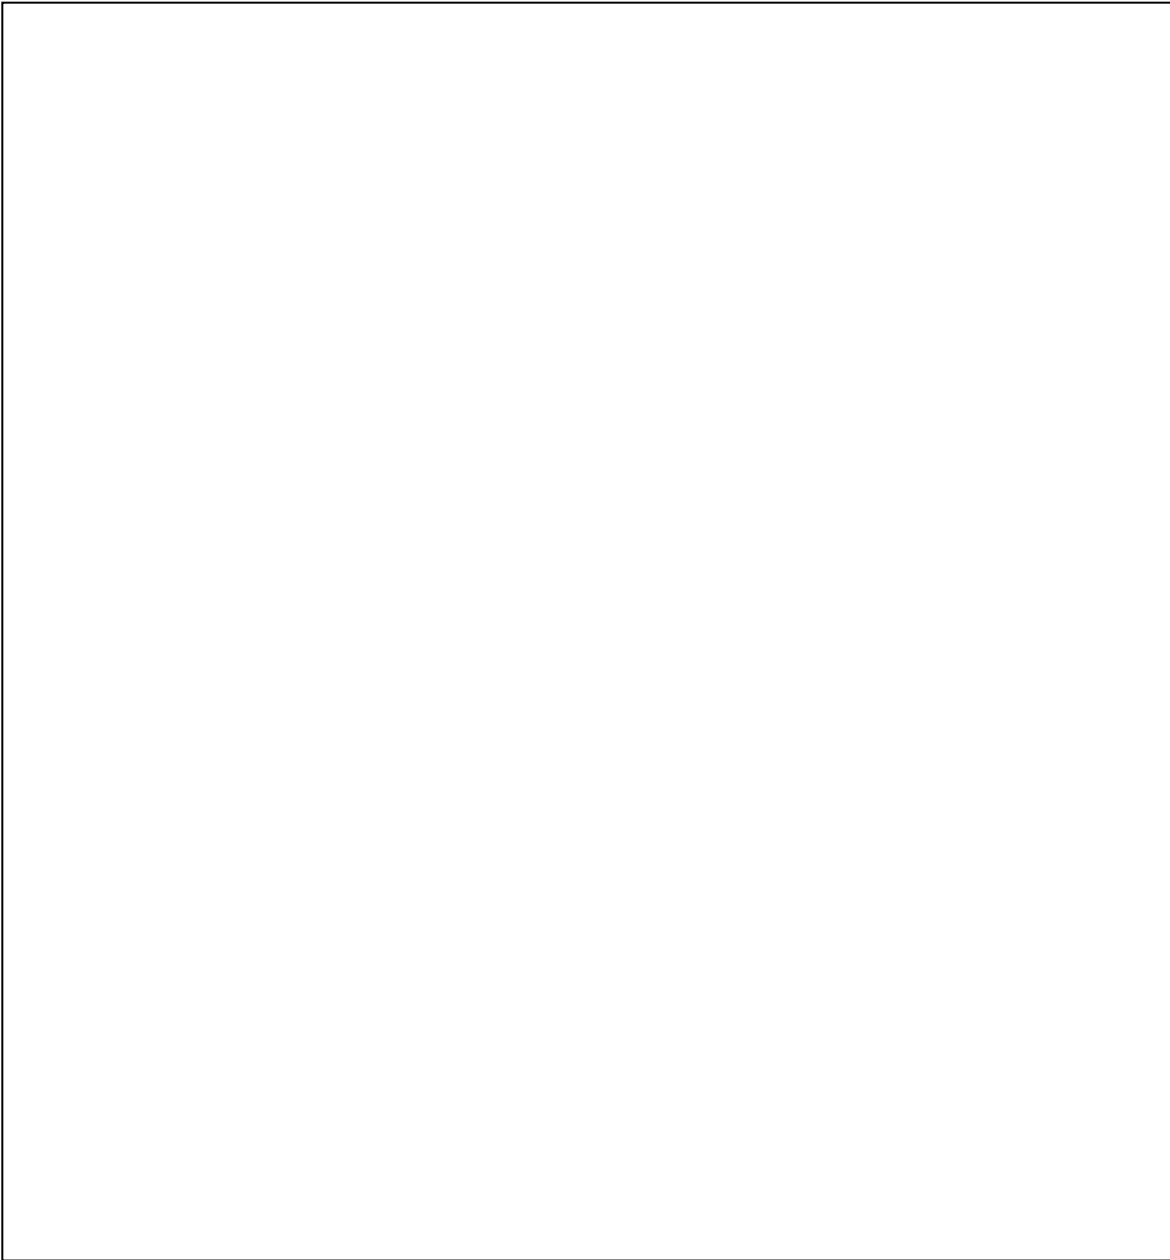

ODD TASKS *There are periodic needs for weekday RE help.* If you can be available Monday-Thursday during work hours, we will contact you. Tasks include, but are not limited to stuffing envelopes, library support, resource inventory, straightening supply closets, and maintaining bulletin board displays. When we call on you, please let us know the specifics of your availability.

Some people may have personal circumstances that prevent them from contributing for a time. We understand and want to respect that need, so please let us know if you cannot make a regular commitment at this time.
